

“IT CONSISTENTLY PUTS MORE MONEY IN MY POCKET.”

Return on investment. Growers like you understand it – and so do we. In fact, it’s what drives Blackmax® 22’s proprietary LHC technology. It is optimized to promote better soil nutrition, reduce root and tissue burn from fertilizer and improve yield potential year after year – for the return on investment you deserve.

BLACKMAX® 22

IF YOU FEED IT, YOU NEED IT.
